

Job Title: Coors Campus Ambassador

Company: Experiential Marketing Limited Partnership d/b/a XMC

Type: Part-time (15-20 hours+ per week) during Fall and Winter semesters

Locations: Guelph, Kingston, London, Ottawa, Waterloo, ON [attending university in one of these cities]

Compensation: \$1000/month + \$75/month cell phone allowance

About the Role:

XMC, in partnership with the Coors family of brands, is hiring an exclusive roster of Coors Campus Ambassadors (CCAs) designed to authentically embed the brand into campus culture through a hyper-local, student-driven approach.

Through an always-on strategy, CCAs will activate during peak moments like Welcome Week and Homecoming. Tapping into unique campus events and running on-premise activations at key local accounts within each university town to keep the brand front and center year-round. CCAs will also leverage their personal Instagram platforms to share weekly content that aligns with brand guidelines while authentically showcasing how Coors fits into their campus lifestyle.

More than brand representatives, CCAs will embody the Coors experience by creating positive, responsible brand engagement on campus and building meaningful connections that foster long-term loyalty among the next generation of consumers.

Role & Responsibilities:

1. Experience Creation

- Plan, facilitate, and lead a minimum of (1) one on-premise event per semester
- Coordinate and host branded/sponsored pre-parties
- Create eye catching promotional materials for events
- Identify university specific off campus traditions that would authentically integrate the Coors brand

2. Relationship Building

- Build and continue to strengthen partnerships with standout student organizations, clubs, and communities
- Develop connections with local Coors accounts (i.e. bars), Molson Reps, and various stakeholders
- Build a network of brand advocates across diverse university student groups

3. Social Media & Content Creation

- Always-on content creation mindset
- Update weekly social content tracker with (3) three or more potential in-feed or static posts and accompanying captions
- Document key events and traditions where brand is present
- Develop campus-specific content that resonate locally
